

22

PACHANGA®

Split performance shift and throttle levers, SmartCraft® instrumentation, and power-assisted tilt wheel give the driver superior control.

Easy and wide access to the engine.

Sunning and swimming are clearly priorities at the stern end of the new Pachanga.

Max Persons/Weight:	7/1,100 LBS	499 KG
(MWC) Max Weight		
Persons/Gear:	1,100 LBS	499 KG
Dead Rise:	21°	21°

Our Pachanga® redefined sport boat styling when it was first launched in 1969. In fact, the fast classic proved so popular that an updated version was introduced in 1986. Well, third time is the charm with our new 22 Pachanga. It combines the hot rod looks of the earlier models with the latest in performance technology.

FEATURES

- Optional 425-hp MerCruiser® 496 Magnum® H.O.
- Split performance shift and throttle levers
- Sony® stereo (AM/FM/CD with MP3 port and iPod® connector)
