SEDAN BRIDGE

Take your first step into a new world of cruising freedom with the 390 Sedan Bridge. Everything about this sleek and sophisticated yacht is geared toward extended voyages, from its outstanding ride to its wide-open cabin and gorgeous twin staterooms. The modernistic helm features SmartCraft® instruments, Digital Throttle & Shift (DTS) controls, and optional Raymarine® electronics.

Some equipment shown may be optional and/or not CE-certified.
Options and colors shown may not be available on current model-year product.

SEDAN BRIDGE

With a relaxed layout and panoramic windows offering expansive views, the interior is like a cozy seaside cottage with a changeable backdrop. But this cottage is no rustic retreat, it boasts beautiful cabinetry and trim, a raised dinette that converts to a sleeping area, and a gourmet galley with wood flooring. A lower control station (below) can be added in place of the raised dinette.

Sleeping accommodations don't get more warm and welcoming — or subtly elegant. Two charming staterooms feature rich wood tones, illuminated hanging lockers, two skylights, and four portlights. The master has a walk-around island berth with full-size innerspring mattress, plus a 15" flatscreen TV with DVD player, while the guest stateroom has two twin bunks that convert to a queen. Separate head and shower compartments enhance privacy and usability.

Interior fabric shown may not be available on current model-year product. See pages 58-59 for current details and additional interior options.
