SUNDANCER®

Regardless of your destination, this spirited performer will get you there with enough class and fashionable flair to satisfy the most demanding guest. The 390 Sundancer® delivers refined luxury with a contoured fiberglass hardtop, U-shaped cockpit seating, center walk-thru transom door, optional teak decking, and amenities galore. The helm is designed to seamlessly integrate a range of standard and optional navigational gear, and provides control of the standard Axis® or optional Zeus® propulsion system.

Some equipment shown may be optional and/or not CE-certified.
Options and colors shown may not be available on current model-year product.

390

SUNDANCER®

Picture yourself on this cozy salon sofa, curled up with a good book or watching the 26" drop-down flatscreen TV, munching on some hors d'oeuvres prepared at the galley with stainless-steel appliances. Oversized hull windows flood the cabin with natural light. It's all part of the Sea Ray® difference aboard the 390 Sundancer®.

A great host knows how to set the scene, and is prepared for unexpected guests. The 390 Sundancer® has a private master stateroom with innerspring mattress, but can sleep a total of six with convertible sofas in the salon and conversation area/mid-berth. Once again, separate head and shower compartments mean more functionality.

Interior fabric shown may not be available on current model-year product. See pages 58-59 for current details and additional interior options.
