

# 40 SUNDANCER®

Adventure travel takes on new meaning with the 40 Sundancer®. This is the ultimate sport utility vehicle and luxury resort villa rolled into one, able to take you to far shores and then treat you like a VIP once you get there. Integral swim platform, icemaker, wet bar, generator, SmartCraft® instruments, sport spoiler or optional fiberglass hardtop — it's all here.

Some equipment shown may be optional and/or not CE-certified.  
Options and colors shown may not be available on current model-year product.

When the day's fun-and-sun activities come to an end, this stylish cabin awaits. Teak steps lead to a lofty and bright space fed by six oversized windows and a large skylight with retractable sunshade. The extended countertop in the galley is buffet-line ready. A 26" drop-down TV with remote DVD player provides post-meal entertainment. For extended voyages with guests, the salon sofa converts to a sleeper. Storage is everywhere, so you can take everything with you.

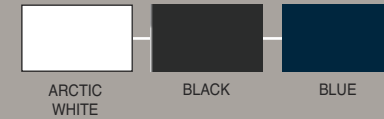

We're talking serious after-hours comfort here. The forward master features an island berth with innerspring mattress, where you can lay back and enjoy the 15" flatscreen TV with DVD player. Berthing is for six total, counting convertible sofas in the salon and conversation area/mid-stateroom. Separate head and shower compartments eliminate waiting time to use the facilities.

*Interior fabric shown may not be available on current model-year product. See pages 58-59 for current details and additional interior options.*
