SEDAN BRIDGE

Experience unbeatable vistas inside and out while cruising aboard the 450 Sedan Bridge. The fly bridge helm includes a user-friendly SmartCraft® VesselView display, VHF radio, and optional Raymarine® system with up to two 12.1" displays. Your crew will enjoy the sights from the bridge's alfresco dinette with padded U-shaped seating. Standard twin Cummins MerCruiser® QSC 500 diesels give you dependable performance and range.

Some equipment shown may be optional and/or not CE-certified.
Options and colors shown may not be available on current model-year product.

SEDAN BRIDGE

Sun and surf define every aspect of the 450 Sedan Bridge's wide-open salon thanks to 360 degrees of glass windows and doors. Magnificent views come standard — including a 26" TV with DVD player — as do exquisite wood finishes, Ultraleather seating, solid-surface countertops, and accent wood flooring. The handsome raised dinette could be the best seat in the house.

450

SEDAN BRIDGE

Conquer the seas by day and sleep like royalty at night. The master stateroom has an island berth with innerspring mattress, 15" flatscreen TV with DVD player, private head/shower compartment, and two lighted cedar-lined hanging lockers. To port, the guest stateroom features twin beds that quickly convert to king-size with easy access to a second head. You'll find generous storage throughout — even enough room for an optional washer and dryer.
