SUNDANCER®

The latest Sundancer® generation has a new star in the trend-setting 450. Aesthetically, our newest Sport Yacht carries forward the design cues created in the 470 Sundancer — crisp and clean lines, enclosed bridge with large retractable sunroof — and incorporates all the key features that have taken our latest express cruisers to a new level. Highlights include a huge, L-shaped wet bar with optional grill and removable flatscreen TV, as well as flexible aft “sun gate” seating. Revolutionary Axis propulsion is standard; Zeus® pod drives are optional
